

HBC Masterpoint Races

As you know, since January of 2021, HBC has been running masterpoint races in four categories -- 0-99, 100-299, 300-999, and 1000+ masterpoints. These races are based solely on points won at Hartford Bridge Club online. They do not include the 1.5 multiplier that HBC applies for masterpoint winners, additional points awarded for combined open and limited-point games or points won in other clubs' virtual games. It's a level playing field for all of our members. Prizes to be awarded in each category are three free games to the winner, two free games to the person in second place and one free game to the third place finisher.

Because the club is reopening in June for face-to-face play, we are now in the homestretch of these masterpoint races. Many of the races are close, not only for first place, but also for second and third places. Good luck to all who participated. Results as of the end of April are below.

0-99 Masterpoints

Ben Bishop	26.34
Kathleen Bourquin	21.41
Cindy Martin	21.29
Deborah Prince	20.21
Virginia Bishop	19.58
