

HBC Snow Closure Policy

Donna and the director of the day will determine the status of our games.

Approximately 2 hours before game time, there will be a message on the answering machine (860) 953-3177, notification on WFSB (TV and website), <http://www.wfsb.com/category/211195/school-closings> and also an email will be sent.

Please be aware that a morning closing does not affect the remainder of the day. Each game opening or closing will be determined at least two hours before game time.
